Worship Thought

Testimonies for the Church Volume Six

The Observance of the Sabbath pg. 362

Everyone should feel that he has a part to act in making the Sabbath meetings interesting. You are not to come together simply as a matter of form, but for the interchange of thought, for the relation of your daily experiences, for the expression of thanksgiving, for the utterance of your sincere desire for divine enlightenment, that you may know God, and Jesus Christ, whom He has sent. Communing together in regard to Christ will strengthen the soul for life's trials and conflicts. Never think that you can be Christians and yet withdraw yourselves within yourselves. Each one is a part of the great web of humanity, and the experience of each will be largely determined by the experience of his associates.

Doxology

Open our eyes, Lord, We want to see Jesus,
To reach out and touch Him. And say that we love Him.
Open our ears, Lord, And help us to listen
Open our eyes, Lord, We want to see Jesus.
