## ***Worship Thought***

*Testimonies for the Church Volume Six  
The Observance of the Sabbath pg. 367*

Let us all bear in mind that in every assembly of the saints below are angels of God, listening to the testimonies, songs, and prayers. Let us remember that our praises are supplemented by the choirs of the angelic host above. Then as you meet from Sabbath to Sabbath, sing praises to Him who has called you out of darkness into His marvelous light. "Unto Him that loved us, and washed us from our sins in His own blood" let the heart's adoration be given. Let the love of Christ be the burden of the speaker's utterance. Let it be expressed in simple language in every song of praise. Let the inspiration of the Spirit of God dictate your prayers. As the word of life is spoken, let your heartfelt response testify that you receive the message as from heaven. This is very old-fashioned, I know; but it will be a thank offering to God for the bread of life given to the hungry soul. This response to the inspiration of the Holy Spirit will be a strength to your own soul and an encouragement to others. It will give some evidence that there are in God's building living stones that emit light.

## **Doxology**

Open our eyes, Lord, We want to see Jesus,  
To reach out and touch Him. And say that we love Him.  
Open our ears, Lord, And help us to listen  
Open our eyes, Lord, We want to see Jesus.
