Worship Thought

*Testimonies for the Church Volume Six
The Observance of the Sabbath pg. 401*

The people of God will recognize human government as an ordinance of divine appointment and will teach obedience to it as a sacred duty within its legitimate sphere. **But** when its claims conflict with the claims of God, the word of God must be recognized as above all human legislation. "Thus saith the Lord" is not to be set aside for Thus saith the church or the state. The crown of Christ is to be uplifted above the diadems of earthly potentates.

Doxology

Open our eyes, Lord, We want to see Jesus,
To reach out and touch Him. And say that we love Him.
Open our ears, Lord, And help us to listen
Open our eyes, Lord, We want to see Jesus.
