56. Behavior in the House of God

When the minister enters, it should be with dignified, solemn mien. He should bow down in silent prayer as soon as he steps into the pulpit, and earnestly ask help of God. What an impression this will make! There will be solemnity and awe upon the people. Their minister is communing with God; he is committing himself to God before he dares to stand before the people. Solemnity rests upon all, and angels of God are brought very near. Every one of the congregation, also, who fears God should with bowed head unite in silent prayer with him that God may grace the meeting with His presence and give power to His truth proclaimed from human lips.

Doxology

Open our eyes, Lord, We want to see Jesus,
To reach out and touch Him. And say that we love Him.
Open our ears, Lord, And help us to listen
Open our eyes, Lord, We want to see Jesus.
