## ***Worship Thought***

*Testimonies for the Church Volume Six pg 362*

*The Observance of the Sabbath*

We do not obtain a hundredth part of the blessing we should obtain from assembling together to worship God. Our perceptive faculties need sharpening. Fellowship with one another should make us glad. With such a hope as we have, why are not our hearts all aglow with the love of God?

We must carry to every religious gathering a quickened spiritual consciousness that God and His angels are there, co-operating with all true worshippers. As you enter the place of worship, ask the Lord to remove all evil from your heart. Bring to His house only that which He can bless.

## **Doxology**

Open our eyes, Lord, We want to see Jesus,  
To reach out and touch Him. And say that we love Him.  
Open our ears, Lord, And help us to listen  
Open our eyes, Lord, We want to see Jesus.
